2. 26—Public Health-A. 1-Contribution for mosquito control.

Mr. Parambi Lonappen *(Minister for Rural Development):* Sir, I rise to move for an additional allotment of Rs. 2,487 under "26-Public Health-A. 1-Contributions for mosquito control".

Mosquito nuisance is on the increase in Trippunittura Town as well as in the Hill Palace Area. It is necessary that a campaign against mosquito nuisance is carried out at Trippunittura.

The expenditure on account of the proposed scheme is estimated at Rs. 2,487. As the scheme was decided upon only after framing the Budget of 1121, provision could not be made for the expenditure. It is not also possible to anticipate savings to the extent of this amount in the Public Health Budget. An additional allotment of Rs. 2,487 is, therefore, necessary under "26-A1-contribution for mosquito control."

I request that the additional allotment may be granted.

Mr. V. R. Krishnan Ezhuthassan *(Oorakam):* May I know, Sir, what is the scheme that is proposed to be launched ?

Mr. Parambi Lonappen *(Minister for Rural Development):* The scheme is to appoint some additional staff for training and getting down some medicines.

Demand put and carried.

3. 26. Public Health-A. 2-Rural Sanitation—Prevention of Epidemics.

Mr. Parambi Lonappen *(Minister for Rural Development):* I rise to move for an additional allotment of Rs. 7,830 under "26-Public Health-A-2-Rural Sanitation—Prevention of Epidemics."

An expenditure of Rs. 7,830 is estimated for the preventive measures undertaken in connection with the plague at Mattancheri.

The allotment under "Prevention of Epidemics" for the current year is Rs. 23,000 of which Rs. 20,000 is earmarked for the purchase of projector and equipments for the Public Health Van, leaving only a balance of Rs. 3,000 for routine expenditure and pay of Driver of the State car used for epidemic preventive measures. Thus no amount will be available from the allotment to meet the expenditure now proposed. It is not also possible to anticipate savings to the extent of the amount required.

An addditional allotment of Rs. 7,830 is therefore necessary under "26-A-2-Rural Sanitation—Prevention of Epidemics."

I request that the additional allotment may be granted.

Demand put and carried.

4. 34-Industries (Transferred)-Establishment.

5. 34-Industries (Transferred) Dearness allowance and Town allowance.

6. 34-Industries (Transferred)-T.A.

Mr. Parambi Lonappen *(Minister for Rural Development):* I rise to move for an additonal allotment of Rs. 756 under "34-Industries (Transferred)-Establishment", Rs. 600 under "34-Industries (Transferred)-Dearness allowance and Town allowance" and Rs. 100 under "34-Industries (Transferred)-T. A."

It is proposed to open a Government Sales Emporium at Ernakulam for exhibiting and selling cottage industries products of the State. The following staff is necessary for the Emporium.

1 Manager on Rs. 40-60	1 Accountant on Rs. 25-40
1 Salesman on Rs. 25-40	2 Peons on Rs. 15

There is no provision to meet their pay, dearness allowance, etc., in the current year's budget. An additional allotment of Rs. 1,456 is therefore necessary under "34-Industries (Transferred) Industrial Museum" as detailed below.—

		Rs.
Establishment	..	756
Dearness allowance and Town allowance	..	600
Travelling allowance	..	100

I request that the additional allotment may be granted.

മിസ്റ്റർ പി. ടി. ജെക്കബ്ബ്: അതിൽ വല്ല കാർഷിക സാധനങ്ങളും പെടുമോ?

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* I oppose item No. 4.

Mr. President: Does the Hon'ble Member propose to oppose?

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* I oppose the demand.

Mr. President: I understant that the Hon'ble member wishes to make a speach.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* Certainly not, Sir, I do not want to make any speech. I want to inform the Government certain things and for that purpose I oppose this motion. I wish to offer some ramarks if I have your leave, Sir.

Mr. President: The Hon'ble Member has my leave so long as he keeps himself within the rules and Standing Orders.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* Then Sir, I am constrained to oppose this demand, asked for a very good purpose—even a necessary purpose. I submit Sir, that I am constrained to oppose the demand for the simple reason that I could not achieve my object by other methods provided in the Standing Orders.

Mr. President: Order, order. The Hon'ble Member is questioning the ruling of the Chair. He must be careful.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* I do not question the ruling of the Chair. I want to impress upon the Government a few aspects with regard to this Emporium. Emporium is good. Exhibiting our Cottage Industries products is also good. But there are certain other prerequisites. The proposed exhibits must realy be exhibits worthy of being exhibited. They must be of very good finish. They must be of the sort that will attract the attention of anybody who cares to get in, even attract persons to the place. After all from these standpoints Sir, our products of Cottage industries have no place in the Emporium. They are poor, very poor, objectionably poor and all for the reasons that it is not properly cared for; there is no attempt for organising them; there is no attempt to supervise the production of whatever cottage industries.....

Mr. President: Order, order. I am sorry to note that the Hon'ble Member is directing his criticisms against the quality of the products of the Cottage Industries of the State. I do not think that a discussion on that matter is in order on this supplementary demand which relates to an institution in which these things are to be exhibited for sale.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* If that be Sir, I just want to bring to the notice of the Cochin Government to see that the Cottage Industries are improved.

Mr. President: Order, order. The Hon'ble member must confine himself to the sales Emporium.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* The exhibits of the Emporium proposed must be really good exhibits. Care should be taken to see that they are of that sort. Necessary steps should be taken to have such things exhibited. With these observations, and not with the idea of disallowing the money asked for, but simply to put these things into the minds of the Hon'ble Minister who had been elsewhere for a useful purpose, I place this before the House.

Demands put and carried
